THE HISTORY OF THE FRENCH REVOLUTION

THE HISTORY OF THE FRENCH REVOLUTION

The French Revolution was a period of radical social and political change in France, lasting from 1789 to 1799. It was a time of great upheaval and conflict, as the French people sought to overthrow the monarchy and establish a new form of government. The revolution was a result of a combination of factors, including economic hardship, political corruption, and a desire for greater rights and freedoms.
